PRESIDENT.

SECRETARY.

J. PARK ALEXANDER,

Henry ~~T. A. NOBLE,~~
LIBRARIAN.

Rules for Drawing Books.

Any Resident of Akron, over fourteen years of age, having obtained from the Librarian a Certificate of Membership, may draw books from the Library on his or her card of Membership.

One volume only can be taken on one account, unless the work be in ducdecimo or smaller volumes, when two may be taken. Books may be retained two weeks and may be renewed for the same period. They cannot be re-issued to the same person until they have been on the shelf twenty-four hours.

Any person of good deportment and habits may use the Reading Room. All injuries to books beyond reasonable wear, and all losses, shall promptly be made good to the satisfaction of the Librarian.

Explanation.

The Plan of this Catalogue is very simple. Each work in the Library is Catalogued under its "Subject," and under its "Author." Works of Fiction and those having arbitrary titles which do not admit of being placed under subjects, are catalogued under Titles and Authors. Anonymous works are placed under Titles and Subjects. The titles are brief and usually take but one line. The whole is arranged in Alphabetical order.

The shelf marks are given in the left-hand margin: The small capitals indicate the CASE, and the figures following indicate the SHELF on which the book may be found.

A star () prefixed to a title, indicates that the work is a book of reference, and cannot be withdrawn from the Library without a special permit of the Librarian.*
